

18 Years & Counting | AirBnB Check In Details

Address: 15068 Victoria Avenue White Rock, BC

To gain access to your parking spot(s), you will need to navigate your vehicle to the south side of the property via “Marine Lane” which is an unmarked lane (no sign).

To navigate your vehicle to your parking spot from our address on Victoria Avenue, you will need to drive down the hill and TURN SOUTH (towards water) on MARTIN DRIVE and then left down the unmarked “Marine Lane” alleyway. Braveheart Beach House (also The Affair suite) is the 8th house on the NORTH SIDE of the alley. Please look for a patio with glass railing, and a carport with 2 wooden patio supports; there is also a set of cement steps with a black wrought iron gate on the left-hand side of the property. Please park in the carport (it’s always best to back in). There are 2 signs that say “no parking anytime” – it’s ok, you’ve arrived!

***PLEASE NOTE THAT PARKING IN THE ALLEY IS FOR RESIDENTS ONLY.
DO NOT PARK IN ANY OTHER ALLEYWAY PARKING SPOTS AT ANY TIME.***

To access the suite, you will need to go to the wooden shelf beside the garbage cans in the carport. There will be a lockbox with a door key inside the lock box. The lock box is located in the center of the shelf.

To open the lockbox, two hands are required; one to hold down the switch on the left and the other to flip open the hatch at the top. Please return the key to the lockbox upon check-out. Inside the lockbox is your key to use for the duration of your stay. The code for the lock box is 2121.
